NEA Announces Second Round of Grants for FY 2018

The National Endowment for the Arts (NEA) will award \$81,757,250 in direct grants to fund 1,071 projects and state and regional partnerships in the second major grant announcement of the 2018 fiscal year. In this round, 902 Art Works grants, totaling \$23,434,000, are to be awarded to organizations across the country.

Art Works grants support:

- Creation of art that meets the highest standards of excellence
- Strengthening of communities for the arts
- Public engagement with diverse and excellent art
- Lifelong learning in the arts

Additionally, through the Creativity Connects grant program, the NEA fosters the connection between the arts and the nation's creative ecosystem. Through the Our Town grant program, the NEA supports partnerships of artists, arts organizations, and municipal government that work to revitalize neighborhoods. Through these two programs combined, 95 grants, totaling \$6.1 million, are also to be awarded.

67 TCG Member Theatres collectively received 70 awards totaling \$1,875,000 in these categories: Arts Education, Media Arts, Musical Theater, Presenting & Multidisciplinary Works, and Theater (all disciplines encompassed by Art Works), as well as Creativity Connects and Our Town.
