# LEADERSHIP BOOT CAMP

Congratulations to the individuals selected to participate in the 2010 *TCG/American Express Leadership Boot Camp*! The selection process was very competitive with only 20 theatre slots available but over 60 theatres interested in attending. We made our decisions based on the strength of applicants' essays and on creating a "classroom" that was representative of the diversity of TCG's membership in every conceivable way—budget size, genre of work, geographic location, cultural identification, etc.
