**“Splendid... This is among the finest films ever made about American politics.”**  
— *New York Times*

A decade-long collaboration between three-time Academy Award® winner Steven Spielberg and the Pulitzer Prize-winning author of *Angels in America*, Tony Kushner, *Lincoln* is a revealing drama that focuses on the 16th President’s tumultuous final months in office. Having just won reelection in a country divided, Lincoln pursues a course of action designed to end the war, unite the country and abolish slavery. With the moral courage and fierce determination to succeed, his choices during this critical moment will change the fate of America, and generations, to come.

**“A brilliant, brawling epic... Screenwriter Tony Kushner blows the dust off history by investing it with flesh, blood and churning purpose... A great American movie.”**  
— *Rolling Stone*

The DreamWorks film, which opened in wide release in the U.S. on November 16, 2012, stars two-time Academy Award® winner Daniel Day-Lewis as the 16th U.S. President and two-time
