Subject: Follow up on CWMU conversation ~

Dear Brenda Boykin,

After some research, the Coalition of Wireless Microphone Users recommends that the FCC should send information regarding the termination of operations in the 700MHz band to:

Performing Arts Service Organizations:

- CWMU (Dave Pawlik at Skadden can distribute to members)
- League of Resident Theatres <http://lort.web.officelive.com/contactus.aspx>
- Dance/USA and OPERA America 1111 16th Street NW Ste. 300 Washington, DC 20036 | Phone: 202.833.1717 | Fax: 202.833.2686
- Association of Performing Arts Presenters, 1211 Connecticut Ave., NW, Suite 200, Washington, DC 20036 | Phone: 202.833.2787 | Fax: 202.833.1543
- League of American Orchestras, 910 17th Street, NW, Suite 800, Washington, DC 20006, Phone: 202-776-0215, Fax: (202) 776-0224
- Theatre Communications Group, 520 Eighth Avenue, 24 Floor, NY, NY 10018, Phone: 212-609-5900, Fax: 212-609-5901

Publications/Websites:

- Pro Sound Web http://www.prosoundweb.com/company/contact_us
- New Bay Media <http://www.nbmedia.com/contact/editorial/video.php>
<http://www.nbmedia.com/contact/editorial/proaudio.php>
<http://www.nbmedia.com/contact/editorial/systems.php>
- Sound and Video Contractor <http://svconline.com/advertisers/>
- Front of House <http://www.fohonline.com/contact>
- Church Production http://www.churchproduction.com/go.php/contact_us
- Live Sound International <http://www.livesoundint.com/staff/contact.php>
- Lighting and Sound America <http://www.lightingandsoundamerica.com/contacts/>
- Live Design <http://livedesignonline.com/contact/>

Trade Groups:

- The Entertainment Services and Technology Association, ESTA (www.esta.org)
- United States Institute for Theatre Technology, Inc., USITT (www.usitt.org)
Both of these groups would be able to get the word out to theatre people through their websites, magazines, and e-marketing.

We believe that notices sent to Part 73 and Part 74 licensees, wireless microphone manufacturers, and the organizations and publications on this list, will ultimately be sent on to the rental houses, as well.

Sincerely,

Laurie Baskin
