Dear Ms. Baskin:

It was a pleasure to meet with you during your recent visit to the United States Capitol on June 23rd.

Many thanks for your insights and perspective on the current challenges with access to wireless technology or a reliable geo-location database in the performing arts community. Our discussion on the impact of the arts in communities and classrooms was informative and critically important.

Thank you again, Laurie, for your leadership. I look forward to our continued dialogue.

best regards,
